

May 1, 2009

Dear Parents,

It is hard to believe that we are nearing the end of the year. The Science Fair is May 12th at 6:30 pm. Students should be finishing up their experiments and beginning to work on their display boards. Please refer to the Science Fair packet for information to include on the display board. That same night, there will also be a celebration for the unveiling of the new garden outside of the library beginning at 6:00 pm.

The pictures from Voyage to Mars are up on the website. Those pictures are there for you to view and download for your own albums.

Team 4REAL is on Twitter! This is a tool for parents to get updates on team events and homework assignments. You can sign up for a Twitter account and have those updates sent to your account, or you can just check the following website on a regular basis:

<http://twitter.com/Team4REAL>

On the next episode of 4REAL TV...

May 5th	Annual School Election
May 7th	Social Studies Presentations on Europe begin
May 12th	FMS Garden Unveiling
May 12th	Science Fair 6:30pm - 8:00pm

Have a great weekend,

4Real Teachers
