

May 29, 2009

Dear Parents,

This morning Team 4 Real said good-bye to our lone salmon, Larry. Several members of Mr. Brown's class released him to swim freely in the Muskegon River.

Our final field trip to Rycenga Park will be on Monday, June 8. We will be leaving school at 8:45 and returning at 2:00. Lunch will be provided. Students should dress for outside activities. Please complete and return the attached permission form.

As the year closes, please make sure that all textbooks and library books are returned, and that fines and fees have been paid. Some students have outstanding balances from camp and Voyage to Mars.

On the next episode of 4REAL TV...

June 3 - No Delayed Start

June 8 - Rycenga Park

June 9 - Last Day of School (full day)

Have a great weekend,

4Real Teachers
